26. [REDACTED] LIAISON Called Loch Johnson, House Permanent Select Committee on Intelligence staff, and suggested that we schedule the previously postponed luncheon with [REDACTED] Deputy Chief/EUR, for Wednesday, 26 July. This was most acceptable to Mr. Johnson. I also suggested that later in the afternoon of 26 July might be an appropriate time to meet with [REDACTED] IG Staff, per the suggestion of John Waller, Inspector General.

Mr. Johnson said that his Subcommittee on Oversight is looking into ways and means of attempting to improve on the Hughes/Ryan Act. He said that he would like to talk to whomever is most appropriate at the Agency to get our comments on some of their thoughts, some of which are: (1) reduce the numbers of Committees to be briefed on Presidential Findings to the two Select Committees; (2) expand the reporting requirements to any component of government; and (3) possibly include the requirement for reporting on collection as well as special activities within the new legislation. I said I would look into it and get back to him.
